THE SALE THAT BREAKS THE BAN

and it will go some distance to break Cohen's profits of the past season. The sale that gathers the residue, surplus, and excesses, such as a quarter million dollars' investment is liable to and it will go some distance to break of the fag-end until blown up by the very force of price powder.

THE SALEOFPRICE DESTRUCTION

The necessary doom that awaits more than FIFTY THOUSAND DOLLARS' WORTH OF GOODS -- most likely good as ever to you or some one. All and every article that dates its birth within the past season, but which must be swept from the store of and pay its penalty for lingering beyond its allotted period. Only Cohen's great business life can afford a sale like this. Profits can be

outlined by every house; lesses like this are solitary, inimitable by anything outside of real success. To this house a loss is profit at the
